## PART XI: SCHEDULE F - EQUIPMENT GUIDE LIST

## **EQUIPMENT GUIDE LIST**

Schedule F is provided as a convenience to Offerors in determining utility, support, and other infrastructure requirements that are to be included as part of the rental consideration.

The following schedule contains a listing of all **VA furnished medical equipment** items to be installed in the clinic.

The equipment items listed in the Schedule F are NOT to be provided by the Lessor.

Lessor shall provide supporting construction, HVAC systems, utilities, and electrical distribution in accordance with Paragraph 6.3 of Part I of the SFO.
